

Privacy statement

Supply Chain 4 Future srl having its registered office at Wachthuisdreef 148, 7850 Edingen, Crossroads Bank for Enterprises number 0771.685.082, puts the meticulous handling of personal data high on its list of priorities.

This statement therefore indicates for what purposes the collected personal data are used and that we try to guarantee adequate protection of these data by adopting the appropriate technical and organisational measures.

Furthermore, Supply Chain 4 Future follows the provisions of the General Data Protection Regulation (GDPR).

Supply Chain 4 Future processes your personal data only for 2 reasons :

- To get in contact with a person who have filled in the contact form
- To register subscriptions to the Pharma Supply Chain Leaders network.

The personal data (Name, phone number, e-mail) collected during this process shall not be the subject of any transfer.

The personal data in question shall be stored and saved by Supply Chain 4 Future for maximum 2 years after performance of the last commission or the handling of the last order or for the legally applicable storage time.

Moreover, you have the right to:

- request Supply Chain 4 Future to access to this personal data.
- request Supply Chain 4 Future to rectify or erase this personal data.
- request Supply Chain 4 Future for a restriction of the processing of this personal data.
- to withdraw your previously given consent regarding the processing of your personal data.

You can send this request to Supply Chain 4 Future via email at alain.dommisse@gmail.com

Supply Chain 4 Future shall respond to your request within a month in any case.

If you believe the processing of your personal data is a breach of the provisions of the General Data Protection Regulation (GDPR) you can lodge a complaint with the authorised supervisory authority.

Supply Chain 4 Future reserves the explicit right to change this Privacy Statement at all times, without this requiring any prior warning.

On behalf of Supply Chain 4 Future,

Alain Dommissse
Managing director
